*These items must be of uniform pattern and should be obtained from the official school outfitters.

It is essential that each article of clothing and item of equipment is clearly marked with proper regulation name tapes and initials.

The Senior school blazer will be worn to School daily but an anorak should be worn in the playground.

It is recommended that cyclists are encouraged to wear bright or florescent-type waterproofs over the anorak or blazer and that boys travelling independently might usefully wear safety armbands. The uniform is dark coloured and the School is concerned for the safety of cyclists and pedestrians.

NB. Seniors—Year 4 to Year 8
Juniors—Reception to Year 3
