# Additional Notes

It is essential that each article of clothing and item of equipment is clearly marked with proper regulation name tapes.

The Senior School blazer will be worn to school daily but an anorak should be worn in the playground.

It is recommended that cyclists are encouraged to wear bright or florescent-type waterproofs over the anorak or blazer and that boys travelling independently might usefully wear safety armbands. The uniform is dark coloured and Tower House is concerned for the safety of cyclists and pedestrians.

Each term the Friends of Tower House host a popular second hand uniform sale at school. For more information on upcoming sale dates please contact [admissions@thsboys.org.uk](mailto:admissions@thsboys.org.uk).
